MTN Voice Plans

This document describes MTN Nigeria voice plans, tariff plans and call-rate options: MTN mPulse, MTN BetaGist, MTN X, MTN XtraValue, MTN Sachet Bundles (voice) and MTN XtraSpecial Postpaid. All prices are in Nigerian naira (written as N, for example N100 means 100 naira). A rate written as 20k/sec means 20 kobo per second.

Quick comparison of call rates. MTN mPulse: 20k/sec (N12 per minute) for local calls. MTN BetaGist: 33k/sec (N19.8 per minute). MTN X: 25k/sec to all networks with a N10 daily access fee. MTN XtraValue: 18 kobo per second (N10.80 per minute) inside a bundle and 30 kobo per second (N18 per minute) outside a bundle. MTN XtraSpecial Postpaid: flat 20k/sec to all networks. MTN Sachet Bundles: N10.00, N9.52 or N9.09 per minute depending on the bundle.

1. MTN mPulse

[mPulse] Overview. MTN mPulse is a prepaid plan for customers between the ages of 9 and 15. With this plan, customers get access to special data bundles, offers and affordable national calls designed for that age group.

[mPulse] Price. Migration to MTN mPulse is free the first time. Subsequent migration within 30 days costs N102.

[mPulse] Rates. MTN mPulse voice rate: 20k/sec (N12 per minute) for local calls. Data rate: N3.07 per MB. SMS: N6 per SMS for both on-net and off-net messages. Standard international rates apply to calls to international destinations, and standard international SMS rates apply per international destination.

[mPulse] Education bundle. MTN mPulse has special data plans that provide access to e-learning sites. The 4GB Monthly Plan costs N600 and is valid for 30 days. Multiple subscriptions are allowed.

[mPulse] Parent-Child Linking. Parent-Child Linking is a feature that lets a parent number gift airtime and data to a linked child number.

[mPulse] Add-ons. Transfer from Parent: a weekly or monthly airtime or data allowance from a linked parent. mPulse Spelling Bee: an annual national spelling competition for mPulse customers, with prizes to be won.

[mPulse] How to migrate. To migrate to the MTN mPulse plan, text mPulse to 344, or dial *344*1# or *123*2*3#.

2. MTN BetaGist

[BetaGist] Overview. The MTN Betagist Plan is a tariff plan open to new and existing MTN customers.

[BetaGist] Basic rates. MTN BetaGist voice rate: 33k/sec (N19.8 per minute), main account. Data: N3.07 per MB, pay-as-you-go (PAYG) data, main account. SMS: N6 per SMS, main account. Standard international SMS rates apply per destination.

[BetaGist] Minutes-back promotion. For every 6 minutes of local calls (on-net and off-net) made each week, BetaGist customers get back 50% of the minutes used, which is 3 minutes.

[BetaGist] Minutes-back conditions. The minutes gotten back are valid for 2 days. They can be used for all local calls (on-net and off-net) only. Customers must have made at least 6 cumulative minutes of local calls (on-net and off-net) from their main account every week (Monday to Sunday) to get 50% of the minutes used back.

[BetaGist] Weekly count and limits. The qualifying minutes of local calls (on-net and off-net) from a customer's main account can only be accumulated on a weekly basis (Monday to Sunday). At 00:00 every Monday, the count resets. The minutes gotten back will not be usable when an eligible customer migrates out of the MTN BetaGist tariff plan. The maximum number of minutes that can be gotten back in a month is 6000 minutes.

[BetaGist] BetaMix bundles. BetaGist tariff plan-based bundles: BetaMix Bundle Mini costs N50 for 40MB plus 1 minute. BetaMix Bundle Max costs N100 for 100MB plus 2 minutes.

[BetaGist] Terms and conditions. The MTN BetaGist Plan is open to all new and existing customers on the MTN network. Customers can choose to remain on the MTN BetaGist Plan, or they can migrate to any tariff plan of their choice at any time. All customers are free to migrate into the MTN BetaGist Plan from any other plan at any time.

3. MTN X

[MTN X] Overview. MTN X is a prepaid tariff plan built around the things customers use their phones for: calling, streaming and staying connected.

[MTN X] Call rate and access fee. With a N10 daily access fee, MTN X customers can call every network in Nigeria at 25k/sec, all day. 25k/sec is 25 kobo per second, which equals N15 per minute.
